

CMOS Virtual Career & Networking Seminar Schedule

Tuesday, May 11th, 2021 - 12 p.m. - 2 p.m. EDT

Registration link: [CMOS Virtual Career & Networking Seminar](#)

- 12:00 - 12:20 p.m. EDT - Jim Abraham discusses his background in the field of Meteorology as a retired Environment and Climate Change Canada Meteorologist, as well as describing the application process for ECCC, all while taking questions from students/early career scientists.
- 12:20 - 12:40 p.m. EDT - Have you ever wondered what it's like to work at The Weather Network? Well TWN's Chief Meteorologist, Chris Scott, answers all of your questions!
- 12:40 – 1:00 p.m. EDT – Doug Gillham is here to describe life as a Meteorologist at The Weather Network, as well as career/mentoring advice for anyone in the Meteorology/Geoscience field of study, as he was the director of distance learning at Mississippi State University.
- 1:00 – 1:20 p.m. EDT – Mark Robinson is here to answer all of your questions about what it is like to work as a Meteorologist and “StormHunter” for The Weather Network! Don't miss it!
- 1:20 – 1:40 p.m. EDT – Earth, Atmospheric, and Oceanic Professor for UBC, as well as the CMOS Director of Publication, Douw Steyn, is here to describe his expertise in scientific publications, and career advice for students looking to obtain a position in the Meteorology/Oceanic Science fields after their post-secondary education.
- 1:40 – 2:00 p.m. EDT – Questions from the virtual audience!
