CMOS MEMBERSHIP

Categories and Eligibility

- Regular:** open to all persons having an interest in meteorology or oceanography.
- Retired:** open to persons who have left full time employment.
- Student:** open to full-time students in any Canadian or foreign institution. Student membership will be changed to regular upon an address change or after a maximum of five years. Renewal requires a new application.
- Associate:** open to members of AMS, AMOS, RMetS and CGU under reciprocal conditions agreed upon by CMOS Council. Proof of such membership must be provided.
- Sustaining:** open to persons wishing to support the Society.
- Corporate:** open to companies and other organizations. Each Corporate Member shall nominate one person who shall act on behalf of the organization in all dealings with the Society and have all the privileges of an individual regular member.

Admission to the Society

A completed application form is required for all categories of membership. A completed application form includes acknowledging and abiding by the Membership Code of Conduct. Applications are reviewed and approved by CMOS Executive or Council. Once approved, a welcome letter is sent and the member is assigned to the nearest local Centre of the Society. If a membership application is approved before 1 September, membership will be for the current calendar year and back issues of all publications will be provided. After 1 September, it will be assumed that membership starts on the date of approval and ends 31 December of the following year.

Membership Fees

Membership is for the calendar year only and fees are due before 1 January. Annual membership renewal notices are usually sent in November. Any member whose annual membership fee is not received by March 31 shall have their membership suspended. In case of a late renewal, back issues of the publications will not be provided. A suspended member can be reinstated to full membership without re-approval by the Executive provided there is a lapse of at most two years in the payment of dues. For a longer lapse, any member must re-apply for membership. Membership fees are established for each calendar year at the preceding Annual General Meeting.
